The Stutthof Concentration Camp tour

The Stutthof Concentration Camp tour

The Stutthof Concentration Camp private guided tour

Stutthof concentration camp was the first camp built in Poland by the Nazis. It was established in the first days of World War II to exterminate educated Poles. Now we know that three years earlier, the Nazis had already decided who was to be sent there. During the 5 years of existence of the Concentration Camp in Stutthof, prisoners from 28 countries were held here. The camp was freed by the Soviet Army on the 9th of May 1945.
