Gdansk, Sopot, and Gdynia in one day

Gdynia

Gdansk, Sopot and Gdynia in one day

Gdansk, Sopot and Gdynia are popularly known as the Tricity. Even though they have much in common they are very different. Gdansk is an old Hanseatic league city – and now capital of the Pomeranian Region. Sopot is a much younger and popular spa city, beloved by young people because of its easy-going attitude and large numbers of discos and bars. The youngest member of Tricity is Gdynia as it was only born in 1926, when the Polish government, unable to use the Gdansk port dominated by Germans, decided to build a new port in the location of this small fishing village.

Gdansk sights

In Gdansk we will start with the Gdansk city tour. We will start with the Upland Gate – the 16th century entrance to the Old Town of Gdansk. On our way we will see the Torture House and the Prison Tower – previously the [Museum of Amber](#). Next we will enter the Long Street and the Long Market and admire the most magnificent sights like: [Artus Court](#) a medieval meeting place for rich merchants, a symbol of Gdansk – the [Neptune Fountain](#), the [Golden House](#) and the Green Gate. Here we will drop into one of the amber workshops to see a brief display of amber polishing also called "the gold of the Baltic Sea". We will also learn how to recognize fake amber. Here the official Royal Route in Gdansk ends but we will walk further to see the banks of the Motlawa River and the medieval Crane. We will walk on the most picturesque street in Gdansk – Mariacka Street which will lead us to the biggest gothic brick church in the world – [St. Mary's Church](#). Here we will see many interesting pieces of historical art. We will finish our trip at the richly decorated the [Great Armoury](#).

On the way to Oliwa, we will pass by the [Monument to the fallen shipyard workers of 1970](#), the [European Solidarity Centre](#) and [Lech Walesa's](#) house – the legendary leader of the Solidarity trade union. In Oliwa district we will enjoy a bird's eye view from the **observation deck of Olivia Star building**. In [Oliwa Cathedral](#), we can listen to a 20-minute organ concert. After a brief visit to the Cathedral, we will go on to Sopot.
