## Gdańsk, Sopot and Gdynia in One Day (Private Tricity Tour)

**Last update - March 2026**

Gdynia

If you are arriving in Poland by cruise ship, why not visit **three cities in one day**? Gdańsk, Sopot and Gdynia are collectively known as the **Tricity**. Despite being neighbours and sharing many similarities, each of them has a completely different character.

**Gdańsk** is an old Hanseatic city and today the capital of the Pomeranian region.

**Sopot** is a stylish spa resort, loved by younger visitors for its relaxed atmosphere, cafés, clubs and bars.

**Gdynia**, the youngest of the three, was founded in 1926 when the Polish government decided to build a new port in a small fishing village, as the Port of Gdańsk was then dominated by Germans.

## Gdansk Highlights

We will begin at the **Upland Gate**, the 16th-century entrance to the Old Town. Along the way we will see the **Torture House** and the **Prison Tower**, which once housed the Amber Museum.

Next, we will enter **Long Street** and the **Long Market**, where we will admire Gdańsk's most beautiful landmarks:

- **Artus Court** – the medieval meeting hall of wealthy merchants
- **Neptune Fountain** – the symbol of Gdańsk
- **The Golden House**
- **The Green Gate**

We will visit an **amber workshop** for a short demonstration of amber polishing and learn how to recognise real amber.

Although the official Royal Route ends here, we will continue to the **Motława River**, where we will see the medieval **Crane**. We will walk along **Mariacka Street**, the most picturesque street in Gdańsk, which will lead us to **St. Mary's Church**, the largest brick Gothic church in the world. Inside, we will discover many fascinating artworks. The Gdańsk section of the tour ends at the richly decorated **Great Armoury**.

## Oliwa District and Olivia Star

On our way to Oliwa, we will pass the [Monument to the Fallen Shipyard Workers of 1970](#), the **European Solidarity Centre**, and **Lech Wałęsa's house**, the home of the legendary leader of the Solidarity movement.

In the **Oliwa district**, we will enjoy a **panoramic view** from the **observation deck of Olivia Star**, the tallest building in Gdańsk. From 130 meters (426 feet), we can admire Gdańsk, Sopot and Gdynia. This is also a perfect moment for a **coffee-and-cake break**.

Next, we will visit the [Oliwa Cathedral](#) and listen to a beautiful **20-minute organ concert**, after which we will continue to Sopot.
